

## entrance scholarships at upei

**A SCHOLARSHIP FROM THE UNIVERSITY OF PRINCE EDWARD ISLAND IS AN OPPORTUNITY TO TRANSFORM YOUR LIFE. WITH OVER \$4.2 MILLION OFFERED IN SCHOLARSHIPS AND ONE OF THE MOST COMPETITIVE TUITION RATES IN THE COUNTRY, UPEI PROVIDES AN EXCELLENT RETURN ON INVESTMENT.**

We encourage you to apply to UPEI early as you could be eligible for an automatic entrance scholarship or award. To be considered for these, your application to UPEI, along with your first-term transcripts, must be postmarked on or before **March 1,\*** and the application fee paid in full. Other scholarships and awards require a separate scholarship application process.

**UPEI**  
UNIVERSITY  
of Prince Edward  
ISLAND

UPEI awards over 300 entrance scholarships a year. Please take the time to apply, as these few minutes can make an incredible difference in your university experience and your future.

*\* If March 1 falls on a weekend or statutory holiday, the deadline moves to the next business day.*

“

*In addition to the undeniable relief of receiving financial aid, scholarships are a recognition for those of us continually giving our all to our school and community. My UPEI scholarship makes my experience as a Science student indescribably more comfortable, focused, and rewarding. Every minute of prioritizing, volunteering, and writing applications was truly worth the payoff. I am so grateful to have the opportunity to pursue my dreams with the confidence that I can pay for my own education.*

”

*Alyssa Bryanton*

*(3rd-year Science) received a full-tuition entrance scholarship renewable for four years. She plans to study Pharmacy.*

### **SCHOLARSHIPS, AWARDS, AND BURSARIES**

**Scholarships** are financial awards in various amounts and are often based on academic merit and/or extracurricular accomplishments. Some scholarships are renewable year to year based on academic performance, while others are non-renewable. Students who apply to UPEI on or before **March 1** are automatically considered for some UPEI entrance scholarships and awards. For example, the **Inspiring Excellence Award**, valued at \$1,000, is a non-renewable automatic award for all first-year students entering UPEI with a cumulative average of 85%+ based on the five courses used for admission to UPEI. Additional entrance scholarships and awards which don't require a separate scholarship application are listed on the *Scholarships and Awards for First-Year Students* chart (facing page).

Applications may be required for other named scholarships and awards. Some of these are also listed on the chart.

**Awards/Prizes** recognize academic and/or extracurricular achievement. UPEI awards vary in amounts and can be applied for by a student or, in the case of Deans' Honours and Awards Night and Convocation, awarded by your dean.

**Bursaries** are offered to students based on various criteria including residency, community service, and financial need. Bursaries are usually offered mid-way through each academic semester and require an application.

### **GEORGE COLES BURSARY**

*(Subject to provincial government policy)*

The government of Prince Edward Island offers eligible first-time, first-entry Island students at UPEI the \$2,000 **George Coles Bursary**. In addition, the **Island Student Award** program provides Island students \$400 in second year, and \$600 in both third and fourth years. For more information on the **George Coles Bursary** and **Island Student Award**, please call (902) 368-4640 or see [www.studentloan.pe.ca](http://www.studentloan.pe.ca).

*Our UPEI student financial aid advisor offers support and guidance to students and their parents interested in applying for student loans and/or exploring opportunities for financial aid. Please call (902) 628-4382.*

Current as of  
October 2010

## FOR SCHOLARSHIPS, AWARDS, AND BURSARIES WHICH REQUIRE AN APPLICATION

- Application forms are available via [upei.ca/scholarships](http://upei.ca/scholarships).
- Read over the entire application package first, and check the application due date.
- You may be required to complete a *personal statement* — a paragraph or short essay describing your interest in and eligibility for the scholarship. Keep your statement clear and concise. The reader will want to know why you are the best candidate for the scholarship. Proofread your statement before you submit it.
- If you are required to include letters of reference, choose people who have played a significant role in your life and who can comment on your abilities, accomplishments, and suitability for the scholarship. It often helps if you provide your reference person with a description of the scholarship for which you are applying.
- Your application package should be complete, well-organized, neat, and typewritten. Always keep a copy of your completed application package for your personal records.

*The majority of scholarships, awards, and bursaries available at UPEI are made possible through the generosity of donors. We appreciate this community support. To establish new scholarships, please contact the Department of Advancement at (902) 566-0615.*

people • excellence • impact

“

*After only a few weeks at UPEI, I knew that I had made the right choice. The Business program is amazing: my professors are knowledgeable, approachable, and know me by name. The facilities are incredible, fitted with cutting-edge technology. It didn't take long before I became immersed in campus life. I was elected to the UPEI Business Society, and the experience has been invaluable. All of this was possible because of the financial support that I received from UPEI. In particular, I would like to thank the MacLauchlan family for this amazing opportunity — it means more to me than words could possibly express.*

”

*Josh Clory (2nd-year Business)  
received the Harry W. MacLauchlan Scholarship  
in Entrepreneurial Leadership*
